RESPONSIVE READING — "What We Believe"

Leader: WE BELIEVE with Jesus that our experiences are the reflections of our beliefs and therefore the key to happy and successful living is right thinking followed by right action.

All: WE BELIEVE with Jesus that the basis for right thinking is LOVE - love of God and all that is good in ourselves and others.

Leader: WE BELIEVE that learning to listen to the whisperings of the "still small voice" within us will ensure that we are guided into right action.

All: Our thinking is orderly. In everything that we do, we put God first and God directs our steps.

1. You are prosperous to the degree that you are experiencing peace, health, and plenty in your world.
2. Divine Substance (Universal Mind Energy) is the foundation of prosperity.
3. In order to demonstrate true prosperity, you must get rid of what you do not want to make way for what you do want.
