

My Prosperity Decree
GOD IS SUBSTANCE

*Substance underlies and penetrates everything and is everywhere present.
I set prosperity laws into action for myself and the entire world.*

I work for God to promote
His good, and He rewards
me abundantly.

\$ \$ \$

From all directions, in
perfect ways, come large
sums of God-substance
in money form for my
personal use, and I use it
wisely.

I AM
because
GOD IS!

Divine substance fills my
mind, my pocketbook,
and my bank account to
overflowing, and I have
plenty to spare and to
share.

\$ \$ \$

I always remember to tithe
to help promote God's
work.
